

# Floral embroidery pattern

## Supplies

20cm / 8" square of woven fabric (e.g. quilters cotton, muslin)

10cm / 4" embroidery hoop

Size xx embroidery needle

Embroidery scissors

Transfer materials (e.g. water-soluble pen)

## Threads

Little Twig Designs embroidery yarn

- blush pink
- charcoal blue
- coral pink
- ink black
- peacock blue
- violet purple
- warm cream

Or substitute with embroidery floss in your choice of colours.

## Instructions

Print out the design. Transfer onto the fabric using your preferred transfer method. Mount the fabric in the embroidery hoop, ensuring the fabric is taut.

Stitch the design according to the stitch guide above. Use one strand of yarn throughout. If you are substituting embroidery floss, use four strands throughout.

If needed, soak your completed embroidery in cool water and leave flat to dry. Place face down on a padded surface, such as a folded piece of smooth fabric, and press gently with a warm steam iron.

Frame as desired. I would love to see your finished piece - post to Instagram with the tag **#littletwigdesigns**, or email me at **hello@littletwigdesigns.com.au**
